

COVID-19

LES ÉLÈVES DES CLASSES DE 3^{ÈME} 2, 3 ET 4 ONT ÉTÉ INVITÉS À CRÉER DES POSTERS POUR INFORMER SUR LE CORONAVIRUS EN SUIVANT L'EXEMPLE DE L'ARTISTE MATHIEU PERSAN ET DE SON POSTER « STAY AT HOME ».

VOICI QUELQUES-UNS DES MEILLEURS TRAVAUX RÉALISÉS!

Stay at home and do not worry

The Covid-19 is a dangerous disease. The epidemic is spreading, then it is important to follow the rules. If you have fever, or if you cough, you may have caught Covid-19. Then, it is necessary to wear a protective mask, and always put your tissue in the bin after use. You should wash your hands as often as possible !!

Watch old movies

Do yoga

Decorate your bedroom

Sleep a lot

Call your family
and your friends

Play the piano

Create a photo-album

Draw or write

Enjoy the sun

Read books

Listen to music

Laurence D.

A disease is spreading
in the whole world

That is why we
must stay at home

And we mustn't have any
contacts with anybody
because we have to stop the
spreading of the epidemic

* You should wash
your hands as often
as possible.

* Always cover you
mouth if you cough

* Always put your
tissue in the bin
after use !

* It is necessary
to wear a
protective mask
if you are unwell

* Do not worry!

Stay at home !!

You could :

- * Do sport
- * Call your friends
- * Read books
- * Play video games
- * Tidy up
- * Be helpful with
your parents
- * Draw
- * Do some spring
cleaning
- * Take care of
yourself
- * Be creative
- * Create a photo
- * **AND STAY AT
HOME**

COVID-19 IS A VIRUS THAT CAUSES FEVER, A HEADACHE, COUGH, AND CAN LEAD TO DEATH.

- YOU MUST STAY AT HOME.
- YOU MUST PROTECT YOURSELF.
- YOU MUSTN'T GIVE TO PANIC.
- YOU MUST WASH YOUR HANDS.
- YOU MUST TAKE CARE TO YOURSELF AND YOUR LOVED ONES.
- YOU CAN DO SPORT.
- YOU CAN PLAY WITH YOUR FAMILY.
- YOU CAN WATCH NETFLIX.
- YOU CAN COOK.
- YOU CAN CALL YOUR FREINDS.

COVID-19

Covid-19 is an epidemic that is spreading very quickly!
That's why you must STAY AT HOME to avoid the spread!

If you have fever, a headache, a sore throat, if you cough, you may have caught Covid-19.
Do not worry! Just STAY AT HOME and rest.

But staying at home for long time can sometimes be boring!
So you could read, watch TV, listen to music, dance, do sport, work, phone your relatives, cook but be careful there is not much flour left in the shops!
You could do things that you don't usually do because you don't have time... For example tidy your house, wash or redecorate your house!

CORONAVIRUS

What is that ?

- It's a mortal (3 to 4% mortality) virus who appeared in Wuhan in China. Now he's **everywhere** in the **world** and that's why we are quarantined in many countries.

How do i know if i have the coronavirus ?

- The symptoms are : fever, tired, cough and breathing difficulties.

But you may have the virus and have no symptoms.

The most exposed and susceptible to the virus are the elderly and the sick.

What can i do to protect myself and others people ?

- Firstly : **STAY AT HOME !**

- Secondly : **Go outside as little as possible**, just to shop or go to the pharmacy... and when you go outside **wear mask**

- Thirdly : You can help the elderly or the sick. For example you can do their shopping or others things for them.

And for finish do not overflow the hospitals and the medical office with things that are not urgent.

What can i do to make the lockdown easier ?

- As we said before you can help the elderly or the sick. You can try to find new hobbies, like cook, do crafts, do sport.

In short :

WE MUST STAY AT HOME FOR STEM THE PROPAGATION OF THE CORONAVIRUS.

WE ARE AT WAR.

WE MUST BE STRONG AND WE WILL BE STRONG.

WE ARE ALL UNITED AGAINST THIS VIRUS.

WE MUST SUPPORT THE MEDICAL BODY.

Valentin.B

What to do and what not to do during the epidemic of the covid-19

Don't kiss people

Don't get out

Don't shake your hand with others

Don't organized rallies

Stay at home !

Wash your hands !

Be careful !

Wear a mask or gloves if you go somewhere

Read Books

Listen to music

Watch series or movies

Play video games

**Take care of yourself
If you have symptoms call the 15**

How to protect yourself from covid 19?

Wash your hands !!!

Do not shake hands!!!

Stay at home !!!

**Always put your tissue
in the bin after use !!!**

Save yourself and the world

So you can cook, read books, make parties with neighbors if everyone stay at home, sleep, play video games or play with your family, make a quarantine song or call with your friends and your family.

With this list you always have something to do because you have everything to do!

This time, we must remain united but with distances because humanity is supposed to remain stronger than this virus. This is just a bad time of our lives but after it can be the best time of our lives !

STAY AT HOME !

What is COVID-19 ?

Yes ! It's this little thing
that freaks the entire
world population !

What are the symptoms?

High
temperature

Cough

Breathing
difficulties

Muscle pain

What to do to avoid catching covid-19?

WASH YOUR HANDS
VERY FREQUENTLY

COUGH / SNEEZE IN
YOUR ELBOWS

KEEP A SOCIAL DISTANCE OF
1 METER

But above all ... **STAY AT HOME !**

Here are some ideas for not getting bored at home:

Call your friends!

Watch series !

Do your homework !

*Playing sports (within an
authorized area and with
your certificate of course)*

Covid-19

YOU HAVE TO STAY AT HOME TO SAVED LIVES !

What you need to do to protect yourself

--Wash your hands
very regularly

--- Greet without
shaking hands,
avoid kissing .

--Cough, sneeze into
your elbow or into a
tissue

-Use a disposable
tissue

Covid-19 symptoms :

Fever

Cough

Sore throat

Difficulty breathing

During your confinement : Work /Reads Books/
Listen to music/Cook /Call your family /Sleep /Draw
/Think /Sing /Play video games

What is COVID 19 ?

CO = Corona
VI=Virus
D=Disease
19=2019

This is a contagious disease, it is dangerous and it can cause breath problems (similar to flu) but scientists haven't found a vaccin yet

How to protect yourself ?

You must stay at home !

You must wash your hands often

It is not allowed to shake hands

Don't go out if possible

You mustn't reuse tissues

It is not allowed to kiss people

You must respect a distance of one meter between you and other people

Wear a mask if you have one!

What to do ?

Call your friends, watch disney movies, listen to music, help your parents and take care of yourself !

If you have symptoms, what should you do?

You should call your doctor.

Be like Marilyn Manson!

CDC: To prevent coronavirus
stay home, avoid physical
contact and don't go into large
crowds

ME: I've been training for this
moment my entire life

you must stay home!

you should wash your hands as often as possible !

Always put your tissue in the bin after use !

It is necessary to wear a protective mask if you are exit !

Stand a meter away from people!

Check your temperature often !

If you have fever ,a headache,sore throat,or if you may have caught covid 19.

to make the lockdown easier :

sleep lot,draw in a sketchbook, call your old friends,decorate your home,relax you,don't panic,listen
music,don't despair....

don't be selfish !

I KNOW IT'S SHINY ,

SAVE **EVERYONE** BY :
Reading books, playing in your
garden (if you have one)
playing video games, draw,
watch movies, tv show or anime
etc., do everything you want or
nothing but don't go outside !

BUT YOU HAVE TO **STAY AT HOME.**

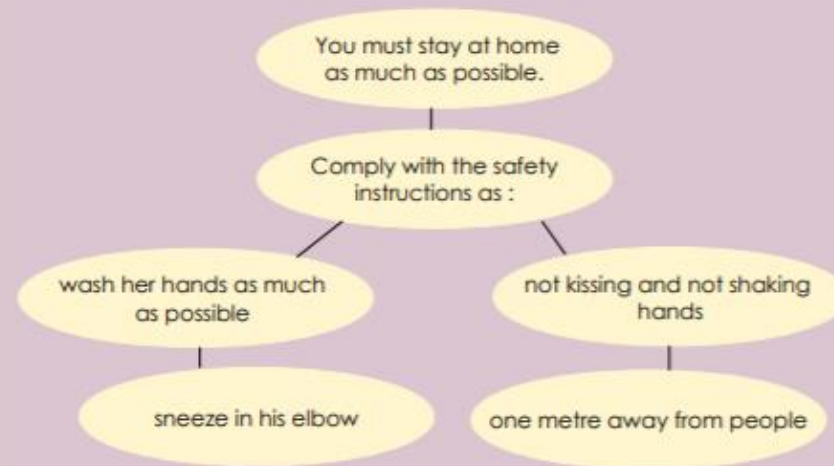

Covid-19 is a very serious virus, it mainly affects the elderly but also the youngest, it's a virus that causes many deaths and it spreads all over the world.

So you don't get bored :

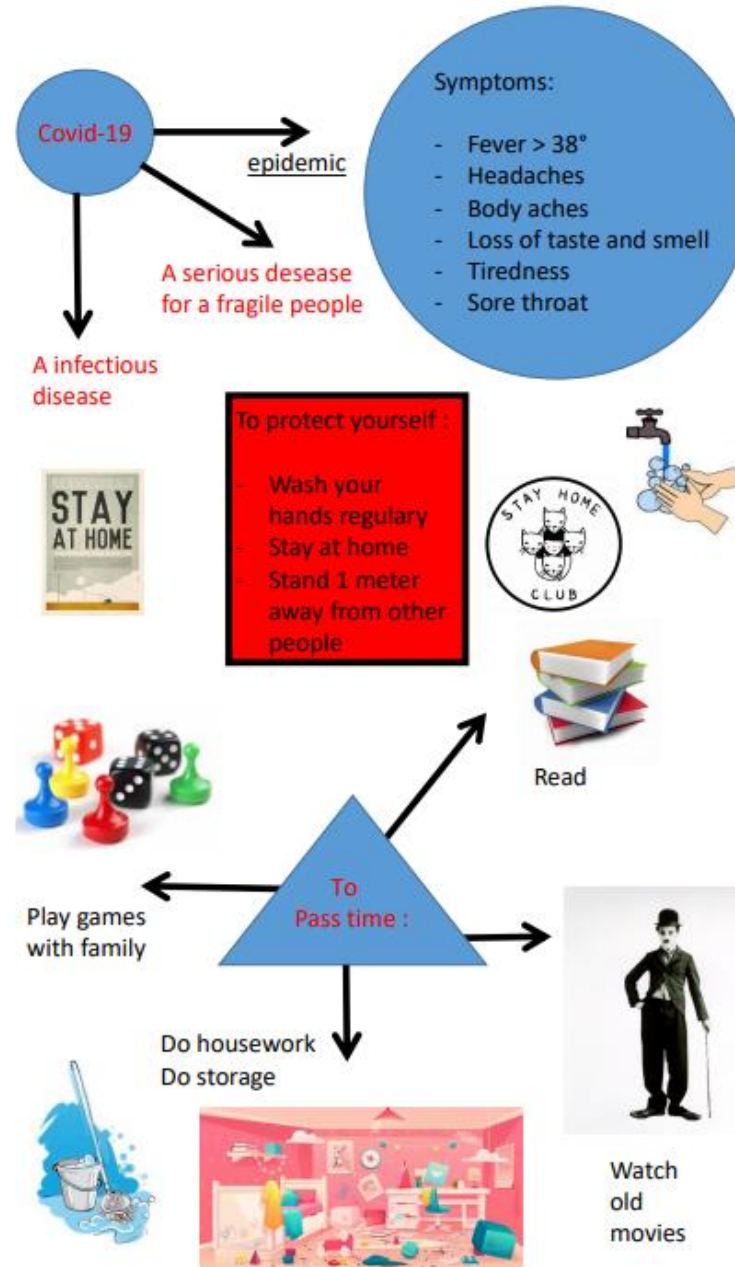

- **Call** your families and friends to get some news.
- You can **play, cook, work, sing, dance** or do **sport**, there are a lot of activities to do.
- You can go **outside** for get some fresh air not far from home, but **alone**

YOU CAN RESCUE PEOPLE
SO
STAY AT HOME

So you don't get the virus :

The confinement effort
